AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants request that the application be amended as follows:

Add the following claims

17. The method of Claim 11 including: providing a dry feed carrier material, drying said antibody-containing contents by coating the carrier material with said antibody-containing contents, distributing said carrier material coated with said antibody-containing contents in animal feed or water, and supplying the carrier material coated with said antibody-containing contents and animal feed or water to substantially prevent adherence of the immunogen in the intestinal tracts of the animals thereby promoting the growth of the animals.

18. The method of Claim 17 wherein: providing a dry feed carrier material from a group of materials including soybean hulls, rice hulls, corn, cottonseed hulls, distilled dried grains and beet pulp.

19. The method of Claim 14 including: providing a dry feed carrier material, drying
